THEODORE ROOSEVELT COUNCIL

2021 Campership Application

Dear Parent/Scout Leader:

- Theodore Roosevelt Council offers camperships to registered youth from Nassau County to assist with camp fees. Campership amounts are based on amount requested and family need. In some cases, depending on specific circumstances, no campership may be awarded.
- This form must be filled out COMPLETELY. Incomplete forms will be rejected without consideration.
- Total yearly income must reflect all household family members. On the other side of this form, include all types of household income: **salary, unemployment insurance, pensions, alimony, disability, public assistance, SNAP, earned income tax credit, etc.**
- A \$25 per camper, per session/week deposit must be paid for this application to be considered. Campership requests without deposits will be rejected. **DO NOT SEND APPLICATION WITHOUT PAYMENT. The campership amount you are requesting must be specified.**
- To accurately credit the unit with the camper's awarded amount, the council, district, and pack/troop information must be completed.
- Cub Scouts who are crossing over to Scouts BSA must indicate their new troop and the troop they will be attending camp with. Submit camper's transfer information to the TRC office on time to avoid confusion in locating camper with the appropriate unit.
- Camperships awarded will be based on the Early Bird cost. No consideration will be given for the higher fee charged after May 15th.
- If a Scout receives multiple camperships, the total cannot exceed the cost of camp, less the \$25 deposit. If a Scout's total camperships exceed this amount, the TRC campership will be reduced accordingly.
- Any awarded campership amount is included and deducted from the total camp cost of fees due by May 15th. All campers who have not received camperships by May 15th will be responsible for full payment. Reimbursement, if any will be provided in a pack/troop check, typically while unit is at camp (if no discrepancies are found). Checks are not made out to individuals (except for provisional campers). Please keep track of payments by individual parents for their reimbursement from the pack/ troop check.
