OSR COVID Safety Fee

The Theodore Roosevelt Council considers the health and safety of our Scouts and Scouters our primary objective. As we approach the summer of 2021, we look forward to resuming our summer camp operations at Onteora once more. Currently, we do not know the extent of recommended or mandatory health and safety regulations for summer resident camps, however, we anticipate several new protocols in the wake of a global pandemic. To ensure that all attendees and staff remain healthy and safe, we are considering implementing numerous safety measures and protocols this summer such as:

- **Personal Protective Equipment (face-coverings, gloves) on-hand for staff, campers and leaders if additional is required/requested.**
- **Additional disinfectants and cleaning supplies in all camp sites for Troop use.**
- **Hand sanitizing stations installed in every campsite, program area and throughout camp.**
- **Additional seating areas and temporary shelters throughout camp to enable social distancing.**
- **Common use items disinfected between users.**
- **Additional staff to ensure common areas of camp and restrooms disinfected/cleaned between 3 and 5 times daily.**
- **Increased ventilation in all buildings and anti-viral air filters installed in A/C units.**
- **Additional seating outside of Dining Hall to permit socially distant meals.**
- **Disposable food service items and individual condiments.**
- **Additional Dining Hall Staff to ensure safe food service and cleaning/disinfecting between meals.**
- **Administrative support for pre-camp and post-camp health screenings of attendees.**

With the implementation of additional safety protocols, the Theodore Roosevelt Council will institute a **\$25 COVID SAFETY FEE** for all Scouts and Scouters attending Onteora in the summer of 2021. Those that require financial assistance are encouraged to complete a Campership Application. This summer, more than ever, we will do whatever we can to provide a **SAFE** and **ENJOYABLE** summer camp experience for all Scouts.

2021 Onteora Scout Reservation Summer Camp Refund Policy

As we look ahead to the summer of 2021, we anticipate the need and are fully prepared to implement many health and safety protocols to help protect our Scouts and Scouters. Among them will be individual health screenings. We expect scenarios to arise where individuals planned to attend camp but are unable to due to State and County COVID mitigation regulations.

The Theodore Roosevelt Council will grant FULL refunds for any Scout or Scouter that is unable to attend camp because:

- He or she has tested positive for COVID-19 two weeks or less before scheduled departure for OSR.
- He or she has come into close contact with someone who has tested positive for COVID-19 two weeks or less before scheduled departure for OSR.
- He or she developed symptoms of COVID-19 (including fever or chills, cough, new loss of taste or smell, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea) two weeks or less before scheduled departure for OSR.
- He or she has come into contact with someone who has shown symptoms of COVID-19 (listed above) two weeks or less before scheduled departure for OSR.

The Theodore Roosevelt Council will also grant pro-rated refunds for any Scout or Scouter that cannot stay the duration of their expected time at OSR because he or she showed symptoms for COVID-19 and needed to leave camp. The pro-rated refunds will be determined by the number of days the individual was on camp premises.

If Onteora Scout Reservation does not operate in the summer of 2021, all payments made will be refunded and/or reapplied to other programs based on the wishes of the Unit Leader.

All refunds will be in the form of a check made payable to the Unit. Individual refunds to families will only be provided to provisional Scouts.
