

AQUATICS (WATERFRONT)

Check out the Aquatics Program at the Waterfront on Orchard Lake! All Aquatics Programming is under the supervision of a Nationally Certified BSA Aquatics Instructor. All of our Aquatics Staff are Certified Lifeguards and hold CPR Certifications. Our Boating area has **Rowboats, Canoes, Kayaks, Paddleboards, and Sailboats.** Adult Leaders are asked to serve as additional rescue personnel in their free time.

<i>BSA Lifeguard (attend all week)</i>	Recommended for experienced swimmers. Scouts must have passed the BSA swimmer test. Scouts must be 15+ and earn Red Cross CPR/AED for the Pro. Rescuer.	No Costs

BSA LIFEGUARD

The purpose of the BSA Lifeguard is to provide an intensive training program in aquatics safety for older Scouts and Adult Leaders.

Participant Qualifications: 15+, 1st Class rank, and recommendation of unit leader.

Note: First Aid and Professional Rescuer CPR/AED certifications needs to be earned prior to camp, or within 120 days of starting the program.

Completion of the course grants participants a 2-year lifeguard certification, recognized at all BSA camps and events. BSA lifeguards may be able to work at public beaches, pools, and camps.

Lifeguarding at Camp will also provide participants with training, information, and skills to prevent, recognize, and respond to swimming emergencies during unit swimming activities. It expands the awareness instruction provided by Safe Swim Defense training. Persons completing the training should be better able to assess their preparation to supervise unit swimming events. Skills training will include:

- Multiple rescue techniques including rescue from a watercraft
- Swimming extension rescue
- Active and passive drowning rescue
- Submerged victim rescue

MILE SWIM

Come and test your swimming ability and stamina Friday afternoon! Remember to train throughout the week!

Please note the below requirement that many miss. If you want to do the Mile Swim, YOU MUST TRAIN. You can accomplish this at camp, during open swims.

Under the supervision of a currently certified Aquatics Instructor or equivalent, participate in four hours of training and preparation for distance swimming (one hour a day maximum).
